Composition in the 21st century. Like the term 20th-century classical music, "21st-century classical music" is defined entirely by the calendar and does not refer to a historical style period in music—in the sense that Baroque and Romantic do—but rather to all art music produced since the year 2000. Musicologists generally say that we are in the contemporary music period—a term which ...

Many science fiction works have been set in the 21st century (years 2001 to 2100). With humanity now in the 21st century, many of the predictions of these works have so far been proven obsolete. This page lists only predictions regarding the 21st century, as opposed to contemporary accounts of the actual 21st century, which would be too numerous to list.
