

**acs exam answers pdf**

What's your thoughts on #5c? I don't like that they give you the rate, but don't say what substance it is the rate for. The rate of formation of the product is different than the rate of the disappearance of the reactant.

**2016 AP Chemistry Exam Draft Answers and Comments - Adrian**

I used this study guide to prepare for my ACS exam in Gen Chem I and found it extremely helpful. The questions on the exam are very similar to the questions in this study guide.
