

administration and management in pdf

The U.S. Fire Administration is the lead federal agency for fire data collection, public fire education, fire research and fire service training.

U.S. Fire Administration

Management (or managing) is the administration of an organization, whether it is a business, a not-for-profit organization, or government body. Management includes the activities of setting the strategy of an organization and coordinating the efforts of its employees (or of volunteers) to accomplish its objectives through the application of available resources, such as financial, natural ...
