The demoscene is an international computer art subculture focused on producing demos: self-contained, sometimes extremely small, computer programs that produce audio-visual presentations. The purpose of a demo is to show off programming, visual art, and musical skills. Demos and other demoscene productions are shared at festivals known as demoparties, voted on by those who attend, and released ...

Reader's Comments ()Author's Note: I've included the kinks at the start of each chapter so if you don't like it, don't read it. You should however be able to skip to any chapter you want without the need to follow the entire plot. If you happen to be an artist and want to contribute any illustrations based on my stories, PM me!
