

city of courts socializing pdf

Presidential City, Philadelphia's first skyscraper community, was constructed in 1950 by John McShain, world-renowned builder of the Pentagon and Jefferson Memorial, and stands as a landmark to the height of the city's 20th Century boom.

Presidential City

The following is a history of the Supreme Court of the United States, organized by Chief Justice. The Supreme Court of the United States is the only court specifically established by the Constitution of the United States, implemented in 1789; under the Judiciary Act of 1789, the Court was to be composed of six members—though the number of justices has been nine for most of its history, this ...

History of the Supreme Court of the United States - Wikipedia

A police force is a constituted body of persons empowered by a state to enforce the law, to protect people and property, and to prevent crime and civil disorder. Their powers include the power of arrest and the legitimized use of force. The term is most commonly associated with police services of a sovereign state that are authorized to exercise the police power of that state within a defined ...
