

differently academic developing lifelong pdf

Lifelong learning is the "ongoing, voluntary, and self-motivated" pursuit of knowledge for either personal or professional reasons. Therefore, it not only enhances social inclusion, active citizenship, and personal development, but also self-sustainability, as well as competitiveness and employability. Evolved from the term "life-long learners", created by Leslie Watkins and used by Professor ...

These are such great ideas to be thinking about as the summer comes to a close and the time for meeting our students gets closer! I'll be printing out the posters to post at my desk as a reminder of my most important job as a teacher.

Thinking Differently About Behavior - Make Take & Teach

An academic degree is a qualification awarded to students upon successful completion of a course of study in higher education, normally at a college or university. These institutions commonly offer degrees at various levels, typically including bachelor's, master's and doctorates, often alongside other academic certificates, and professional degrees.
