While our foundation has held firm, we pride ourselves on continuing to modernize the curriculum and our teaching practices. The prestigious 2016 Bernard M. Gordon Prize for Innovation in Engineering and Technology Education is a nod both to our history and to our future, recognizing WPI's project-based curriculum developing leadership, innovative problem-solving,

Automated Dynamics is a world leader in the design of automation equipment for composite part production; we build right-sized, automated fiber placement (AFP) and automated tape laying (ATL) equipment for thermoset and thermoplastic applications.

Journal of Coupled Systems and Multiscale Dynamics (JCSMD) is an international, peer-reviewed interdisciplinary journal that provides a unique publication forum for addressing challenges and new emerging problems in the study of coupled systems, their dynamics, as well as associated phenomena and processes.

Journal of Coupled Systems and Multiscale Dynamics

Mechanical engineering is the discipline that applies engineering, physics, engineering mathematics, and materials science principles to design, analyze, manufacture, and maintain mechanical systems. It is one of the oldest and broadest of the engineering disciplines. The mechanical engineering field requires an understanding of core areas including mechanics, dynamics, thermodynamics ...

Hydraulic engineering as a sub-discipline of civil engineering is concerned with the flow and conveyance of fluids, principally water and sewage. One feature of these systems is the extensive use of gravity as the motive force to cause the movement of the fluids. This area of civil engineering is intimately related to the design of bridges, dams, channels, canals, and levees, and to both ...

Certificate in Data Center Design. The certificate program in Data Center Design is designed so that students in mechanical, civil, and electrical engineering disciplines will take all the required courses in their disciplines, then, take additional courses from other majors (options A, B and C shown below).
