

executive branch at work pdf

The Executive Branch is in charge of the administrative aspect of the government. It supervises the operations of the different departments such as Finance, Social Welfare, Defense and others.

What Does The Executive Branch Do - eNotes.com

By administration. The list is subjective and imprecise, since frequently individuals or offices might be referred to by the nickname "czar" by some publication or a political opponent, yet the actual governmental official, a majority of publications and others do not use the term.

List of U.S. executive branch czars - Wikipedia

The Founding Fathers, the framers of the U.S. Constitution, wanted to form a government that did not allow one person to have too much control. With this in mind, they wrote the Constitution to provide for a separation of powers, or three separate branches of government. Each branch has its own ...

Monday, December 14, 2009 - GPO

The judiciary (also known as the judicial system or the court system) is the system of courts that interprets and applies the law in the name of the state. The judiciary can also be thought of as the mechanism for the resolution of disputes. Under the doctrine of the separation of powers, the judiciary generally does not make statutory law (which is the responsibility of the legislature) or ...
