Most know that the conditions for dairy cows on factory farms are cruel and inhumane in many ways. But how about the so-called humane alternatives? That's what everyone is asking about. With all the new humane claims and certifications on the market portraying a return to traditional dairy farming with cows grazing on beautiful green pastures, what does this best case scenario really look like?

What about Humanely Raised Milk and Dairy Products?

Agriculture in Victoria. Victoria has 29,661 agricultural businesses employing 91,000 people. The state's temperate climate, high quality soils and clean water help the industry produce \$13.16 billion of agricultural product from 12 million hectares.
