Foucault: power is everywhere. Michel Foucault, the French postmodernist, has been hugely influential in shaping understandings of power, leading away from the analysis of actors who use power as an instrument of coercion, and even away from the discreet structures in which those actors operate, toward the idea that “power is everywhere”™, diffused and embodied in discourse, knowledge and ...

Knowledge and Power: The Information Theory of Capitalism

If the Chinese will not learn the true principles of government, all else will be useless. Knowledge is power, and although a country may be weak, still, if it possess but a modicum of knowledge, the enemy will not be able to completely overthrow it; although that country may be in danger, the race will not be extirpated.
