

### **globalization and living together pdf**

Globalization or globalisation is the process of interaction and integration between people, companies, and governments worldwide. Globalization has grown due to advances in transportation and communication technology. With increased global interactions comes the growth of international trade, ideas, and culture. Globalization is primarily an economic process of interaction and integration that ...

Different poverty levels. Poverty lines shown here include \$1 a day, \$1.25 a day, \$1.45 a day, \$2 a day (typical for many developing countries), \$2.50 a day (which includes a poverty level for some additional countries), and \$10 a day, which a World Bank report referred to if looking at poverty from the level of a wealthy country, such as the US.

### **Poverty Around The World â€” Global Issues**

`Over the past 20 years the number of people living on less than \$1 a day has fallen by 200 million, after rising steadily for 200 years' (James Wolfensohn, president of the World Bank, World Bank, 2002b).
