Members of the armed forces are not immune to the substance use problems that affect the rest of society. Although illicit drug use is lower among U.S. military personnel than among civilians, heavy alcohol and

tobacco use, and especially prescription drug abuse, are much more prevalent and are on the rise.

You spoke, we listened!! In our conversations with the community via emails, dialogues, and surveys, we have heard loud and clear that you are interested in continuing your formal education as interpreters even if it doesn't lead to a full master's degree....so, we have developed a few graduate certificate programs and will be adding more this year.
