The first large-scale insurrection against Ottoman rule was the Orlov Revolt of the early 1770s, but it was brutally repressed. The same time, however, also marks the start of the Modern Greek Enlightenment, as Greeks who studied in Western Europe brought knowledge and ideas back to their homeland, and as Greek merchants and shipowners increased their wealth.

The General Educational Development (GED) tests are a group of four subject tests which, when passed, provide certification that the test taker has United States or Canadian high school-level academic skills. GED does not currently stand for anything and instead "it is more similar to a brand name." (personal communication with Pearson's GED Testing Program Customer Service).
