Peace is the concept of harmonious well-being and freedom from hostile aggression. In a social sense, peace is commonly used to mean a lack of conflict (such as war) and freedom from fear of violence between individuals or heterogeneous (relatively foreign or distinct) groups.. Throughout history some of the most extraordinary and benevolent leaders have used peace talks to establish a certain ...

Introduction. Increasingly, it seems that many analysts within the peacebuilding field predict that future violent conflicts will likely take the form of resource wars “ which can be understood as those conflicts which are primarily waged over access to scarce resources such as rare minerals, water, or oil. [1] The underlying reasoning behind this assumption is that, “ as the global ...
