

professional journalism pdf

Journalism refers to the production and distribution of reports on recent events. The word journalism applies to the occupation, as well as citizen journalists using methods of gathering information and utilizing literary techniques. Journalistic media include print, television, radio, Internet, and, in the past, newsreels. Concepts of the appropriate role for journalism vary between countries.

Journalism - Wikipedia

The SPJ Code of Ethics is a statement of abiding principles supported by explanations and position papers that address changing journalistic practices. It is not a set of rules, rather a guide that encourages all who engage in journalism to take responsibility for the information they provide, regardless of medium.

The Association for Education in Journalism and Mass Communication (AEJMC) is a nonprofit, educational association of journalism and mass communication educators, students and media professionals.

AEJMC

Journalism ethics and standards comprise principles of ethics and of good practice as applicable to the specific challenges faced by journalists. This subset of media ethics is widely known to journalists as their professional "code of ethics" or the "canons of journalism". The basic codes and canons commonly appear in statements drafted by both professional journalism associations and ...
