

social work in urban pdf

Urban Institute opens minds, shapes decisions, and offers solutions through economic and social policy research.

Urban Institute | Social and Economic Policy Research

Social work is an academic discipline and profession that concerns itself with individuals, families, groups and communities in an effort to enhance health and social functioning and overall well-being. Social functioning refers to the way in which people perform their social roles, and the structural institutions that are provided to sustain them. ...

Social work - Wikipedia

Social work has its roots in the attempts of society at large to deal with the problem of poverty and inequality. Social work is intricately linked with the idea of charity work; but must be understood in broader terms. The concept of charity goes back to ancient times, and the practice of providing for the poor has roots in all major world religions,
