

### **the civilian population and pdf**

A civilian is "a person who is not a member of the military or of a police or firefighting force". The term "civilian" is slightly different from a non-combatant under the law of war, as some non-combatants are not civilians (for example, military chaplains attached to the belligerent armed forces or neutral military personnel). Under international law, civilians in the territories of a party ...

The phrase 'population statistics' as used by the Census Bureau refers to much more than simply the 'number of inhabitants' in an area. The Census Bureau provides census count and current estimates of the

number of inhabitants of the Nation, regions, States, cities, counties, and other areas. It also furnishes a wide variety of information on social and economic characteristics of the ...
