

the mid victorian generation pdf

In the history of the United Kingdom, the Victorian era was the period of Queen Victoria's reign, from 20 June 1837 until her death on 22 January 1901. The era followed the Georgian period and preceded the Edwardian period, and its later half overlaps with the first part of the Belle Époque era of Continental Europe. In terms of moral sensibilities and political reforms, this period began ...

Architecture is a picture book of economic and social history. The rise of America's middle class during the mid-20th century can be traced in the movement from 1920s-era Bungalows to the practical homes that evolved in rapidly expanding suburbs and exurbs, especially in areas with a high population density. Mid-century modern became a style not only of architecture, but also of furniture and ...
