People choose to work at Florida State University for many reasons, and there are even more reasons why they stay for a career. At FSU, there's the excitement of being part of a vibrant academic and professional community, surrounded by people whose ideas are shaping tomorrow's news.

Florida State University - Office of Human Resources

Cultural criminology is a theoretical, methodological, and interventionist approach to the study of crime that seeks to understand crime in the context of its culture. It views both crime and the agencies of control [clarification needed] as cultural products. Cultural criminology seeks to highlight how power affects constructions of crime, such as laws created, laws broken, and the interplay ...

Sourcebook on solitary confinement (English) By Sharon Shalev. The Sourcebook on solitary confinement provides a comprehensive single point of reference on solitary confinement, its documented health effects, and professional, ethical and human rights guidelines and codes of practice relating to its use.

Sourcebook on solitary confinement (English) | Solitary

This free course, Criminology beyond crime, examines the notion of 'social harm' as an alternative to the legal definition of 'crime'. To illustrate this concept, the course considers developments in Green Criminology, which have sought to examine the problems of global environmental harm and the myriad interactions between human beings and the natural environment.
