

the protest singer an pdf

The tradition of protest songs in the United States is a long one that dates back to the 18th century and colonial period, the American Revolutionary War and its aftermath. In the 19th century topical subjects for protest in song included abolition, slavery, poverty, and the Civil War amongst other subjects. In the 20th century civil liberties, civil rights, women's rights, economic injustice ...

Protest songs in the United States - Wikipedia

Singer-songwriters are musicians who write, compose, and perform their own musical material, including lyrics and melodies.. The genre began with the folk-acoustic tradition. Singer-songwriters often provide the sole accompaniment to an entire composition or song, typically using a guitar or piano.
