State has almost achieved the target of universalisation of access to primary and upper primary schools as per the provisions of the Right to Education Act, 2009.

School Education - Govt. of MP India

India's higher education system is the third largest in the world, next to the United States and China. The main governing body at the tertiary level is the University Grants Commission, which enforces its standards, advises the government, and helps coordinate between the centre and the state. Accreditation for higher learning is overseen by 15 autonomous institutions established by the ...
